# Slim Jim® Recycling Starter Packs

## Smart Solution. Smart Recycling

The New Slim Jim Recycling Starter Pack gets you started with the most common recycling streams. Each pack includes the best in class Slim Jim containers with Vented channels, hinged and recycling lids and stickers.

The slim design will fit most environments, whether it be in office spaces (open spaces, next to printing machine), corridors, high traffic or coffee area and more. Based on the volume of waste generated in different areas, you can combine two or three stream packs.

### Two Stream Pack

### Three Stream Pack

Ref: 1876490

**Best in class Slim Jim containers offer the best durability. Because sustainability starts with durability.**

#### VENTED CHANNELS

- Reduce the pull force required to lift out full bin liner by 60%.

#### BASE GRIP

- Offers better control during emptying.
- Moulded-in drag rim provides added durability.

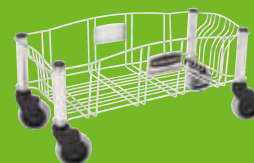

#### BIN LINER CINCHES

- Four pull-through holes and bin liner cinches eliminate knot tying.
